WEDNESDAY, APRIL 15, 2026
Continuing Education Webinar - via Zoom or Call-in

CAL/OSHA REVIEW OF Heat Illness Prevention Program in Indoor Places of Employment | Title 8 CCR 3396 & Workplace Violence Prevention Plan (CA Senate Bill 553)

- HEAT -

This standard applies to all indoor work areas where the temperature or the ambient temperature and/or heat index exceeds 82 degrees Fahrenheit. ****WENT INTO EFFECT JULY 23, 2024****

What's Required:

- A written heat illness prevention program
- Provisions for water
- Access to cool-down areas
- Assessment and control measures
- Emergency response measures
- Observation of employees during acclimatization
- Annual training

- VIOLENCE -

On September 30, 2023, California Senate Bill 553 (Cortese) was signed into law and **California Labor Code section 6401.9** has been effect and **enforceable since July 1, 2024**. Employers that fall within the scope of this law must establish, implement, and maintain an effective written Workplace Violence Prevention Plan that includes but is not limited to the following:

- Identifying who is responsible for implementing the plan
- Involving employees and their representatives
- Accepting and responding to reports of workplace violence and prohibit employee retaliation
- Communicating with employees regarding workplace violence matters
- Responding to actual and potential emergencies
- Developing and providing effective training
- Identifying, evaluating, and correcting workplace violence hazards
- Performing post incident response and investigations

Include e-mails of each attendee when registering. Zoom Webinar and call-in info we will e-mail. *Certificates will be emailed.*
