Continuing Education Webinar - via Zoom or Call-in

ANNUAL REFRESHER TRAINING HAZARDOUS WASTE GENERATOR EMPLOYEE TRAINING

Federal and State hazardous waste regulations require that all employees who handle hazardous waste, **in any capacity**, be trained at a level equal to their duties within six months of their job assignment and **annually thereafter**. This continuing education class will meet the annual refresher training requirements.

Topics to be covered:

- Hazardous Waste Generator Regulations. GIR UPDATE.
- Hazardous waste management policies and procedures.
- Identification and hazards of wastes being handled.
- Contingency plans and their implementation.
- Responding effectively to emergencies.
- Emergency procedures, equipment and systems.
- Hazardous waste safety and handling equipment.
